Volunteer with us

Give a little, Gain a lot!

Hull Training and Adult Education is currently recruiting volunteers to support learners with a range of learning needs, difficulties and disabilities, to make sure that everyone who wants to access our courses can do.

Learners aged 16-80+ on Apprenticeship, Family Learning and English and maths courses need support in the classroom to help them with reading, writing and math skills.

By becoming a volunteer you will get the chance to support your local community and make a difference to those learners who need extra help. It is also a great way to develop new skills and to build on existing experience and knowledge.

We would expect you to be confident in English and maths at Level 2 and be able to spare a minimum of two hours a week. You would receive the necessary training to allow you to become a volunteer. Past volunteers have gone on to become teachers and support workers.

If you would like to know more about becoming a volunteer please contact **Pauline Elvidge**, Lead Support Worker, on **01482 615 349** or email **pauline.elvidge@hullcc.gov.uk**
