

Hull Training and Adult Education

Careers and Employability Policy 2018/19

Hull Training and Adult Education

Careers and Employability Policy

1. Content

Hull Training and Adult Education (HTAE) is fully committed to ensuring all learners acquire the skills, knowledge and attitudes to manage their learning and career progression. In order to achieve this, the service recognises the importance of implementing Ofsted's common inspection framework and the Department of Education 'Careers Guidance' framework.

The Senior Leadership Team and the Governing body reviews and monitors the quality of careers and employability services.

2. Purpose

The purpose of this policy is to specify the services approach in developing learners' understanding of career and employability progression routes. The services role in supporting learners ability to progress effectively within learning and the labour market and therefore underpin social mobility and economic efficiency.

2.1 Our Mission, Our Vision

Our Mission

To be the training provider of choice for learners and employers in the City and surrounding area, by delivering high quality, flexible education and training relevant to local business, learners and community needs.

Our Vision

We contribute to the economic regeneration and social cohesion of Hull by working with employers, partners and learners providing high quality and relevant education and training which ensures the City has a well-qualified and skilled workforce and a culture of lifelong learning.

2.2 Our Values

Hull Training and Adult Education Service will:

- Act with honesty, openness, integrity and respect in our relationships with learners, employers, partners, staff and colleagues.
- Be learner centred, placing the interests of all learners at the centre of everything we do.
- Achieve excellence through delivering outstanding learning and training which inspires and motivates.
- Be creative, passionate, resilient and relentless to secure the outcomes we want for our learners and partners.
- Celebrate and embrace the diversity of our City.

3. Scope

The Careers and Employability Policy applies to all staff involved in the delivery of information, advice and guidance, careers guidance, teaching, enterprise and employability.

4. Aims and Objectives

4.1 Aim

HTAE will ensure that by delivering high quality, professional careers education, information, advice and guidance learners develop personal, social and employability skills and attitudes to enhance employability and are supported in their career management.

4.2 Objectives

HTAE will ensure that all learners have:

- Access to professional and impartial one-to-one careers guidance (those learners 16-18 will also benefit from independent advice from Connexions)
- Access to a Careers Education programme that makes learners better informed of progression, career and employment routes.

- Opportunity to improve employability skills and their understanding of and awareness of entrepreneurship.
- Access to information about work, employment and apprenticeship opportunities.
- Support and guidance with training, further and higher education routes

5. Learner outcomes

5.1 Learners' Career Exploration

Learners will be able to:

- Investigate careers and opportunities in learning, work and apprenticeships and how these meet local and national priorities.
- Access appropriate information, resources, help and guidance.
- Understand changes in education, training and employment and the impact of these on careers and working life.
- Analyse opportunities in work, training and further and higher education.
- Understand the full range of options available to them from various sources of information.

5.2 Learners' Self Development

Learners will be able to:

- Understand self and key qualities and skills.
- Develop employability and enterprise skills
- Through work experience (Study Programme/Traineeship learners), test their effectiveness in the work place and develop skills through experience.

5.3 Learners' Progression

Learners will be able to:

- Make and implement career plans.
- Decide on next steps in their career development using action planning, reviewing and setting smart targets.
- Manage transition.
- Search for appropriate opportunities and develop networks.
- Prepare for work, further of higher education through written application and at selection interview.

6. Careers and Employability Staff Roles

6.1 Curriculum/Teaching, Learning and Accessing

Teaching staff contribute to the delivery of careers and employability through:

- The delivery of induction tutorials which include service values, Equality and Diversity, Safeguarding and Prevent.
- Support for learners in preparing Individual Learning Plans (ILP) and ensure that learners are aware, monitor and review their individual targets and target setting.
- Conducting regular one-to-one reviews with learners
- Employability skills are identified, embedded and demonstrated in all learners' main vocational qualifications.
- English and maths is taught and embedded throughout the duration of learners' vocational qualification.
- Ensuring that all 16-18 learners participate in experiences with employers and gain access to encounters with work.
- Employment and Placement officers within curriculum areas liaise and work with employers to provide opportunities for learners to access meaningful work experience.
- Organise industry specific talks for curriculum areas.
- Providing learners with an opportunity to take part in enterprise activities and entrepreneurship.

6.2 Careers Services and Support

Careers guidance and development advisers contribute to the delivery of careers and employability through providing:

- Accessible, professional, impartial one-to-one careers guidance interviews across the service.
- Independent external careers advice to 16-18 learners through Connexions.
- Support to curriculum staff by delivering careers and progression group sessions.
- Collaboration with Hull Youth Enterprise to ensure learners and staff have access to entrepreneurship and enterprise resources and support.
- Annual careers and employability event

- Careers advisers who work collaboratively with curriculum staff, external agencies, employers, universities and volunteering organisations for the benefit of learners.

6.3 Partnership Work

The service will continue to work with a range of partners to assist in the delivery of careers and employability services and Labour Market Information (LMI) including local and national employers, charitable organisations, apprenticeship employers and professional bodies.

7. Quality Assurance

The service will monitor the quality of careers and employment services through the Quality Group and other methods such as:

- Observation of Teaching, Learning and Assessment
- Observation of induction
- Observation of recruitment
- Learner reviews

Hull Training and Adult Education hold the Matrix quality standard successfully re accredited in December 2015 and the Quality In Careers Standard (QiCS) in June 2016.

Careers Advisers follow the Career Development Institute code of ethics.

Learner feedback is key to the development of the service and is obtained through evaluations after one-to-one guidance, termly surveys, learner panel, events and activities. Learner feedback forms part of our Quality Assurance Cycle and consequently influenced the development of the service.

8. Destinations

The service is responsible for learners data capture and destination of learners is tracked annually and reports given to the Senior Management Team and staff to analyse and incorporate into self-assessment reports.

9. Policy Review

This policy will be reviewed annually.
